Colour Laser Printer 

INTUITIVE TOUCHSCREEN

Enjoy quick, easy access to the C1333P's features, with the elegant 12.7 cm (5") touchscreen. The keyless display allows users to navigate through the on-board functions with a simple tap, helping to save time and improve efficiency. The clear layout and intuitive design gives users fast access to functions they frequently require with minimal training.

INNOVATIVE APPLICATIONS

The C1333P offers time-saving applications, designed to make printing easier and improve user efficiency. The in built application library allows forms, templates and other documents to be printed from a single press, without requiring any device to be connected. In addition, a personalised screen saver can be created, displaying important messages to users while in standby mode.

MOBILISING SMALL BUSINESSES

Designed to meet the demands of today's small businesses, the C1333P features AirPrint® (Apple) and Mopria® (Android) support, allowing users to harness the full potential of their mobile devices. Wireless Direct connectivity allows guests to print without the need for secure network credentials. The Canon PRINT Business mobile app also serves up a range of helpful tools, to further improve mobile working.

FASTER PRINT SPEEDS

Equipped with a printing engine and quick first print out time of 7.1 seconds, the C1333P delivers print speeds of up to 33 pages per minute*. This high performance and high quality printer helps further increase user efficiency and productivity without compromising on quality.

COMPACT DESIGN

To meet customer needs, the C1333P has also improved in size, making it even more convenient and ideal for small to medium businesses and home offices. The compact printer only weighs approximately 16kg, which can help reduce clutter and create a pleasant and productive working environment.

LESS UPKEEP, MORE UPTIME

Keeping maintenance to a minimum, the C1333P features an auto toner seal removal system, making consumables easier to replace. In addition, the all-in-one (and optional high yield) cartridges keep the printer running for longer, while built-in consumable monitoring helps small businesses more efficiently plan their supplies purchasing.

* Refer to Service Manual for speed specifications
